• Policy Loan

You may take a loan against your policy once it has acquired a surrender value. The maximum loan that can be availed is 80% of the surrender value under the base plan. The interest on loans will be charged at the prevailing rates set by the company from time to time. Please contact us to know the prevailing rate of interest on loans.

Interest on loan is payable at prevailing interest rate of 9.00% p.a for FY 19-20. Prevailing interest shall be equal to 10 year G-sec benchmark effective annual yield as on last working day of last financial year, rounded up to the nearest multiple of 25 basis points plus a margin of 150 basis points. The Company reserves the right to revise the applicable interest less frequent than annual subject to the approval of IRDAI.

For In-force or Paid-up policies, if at any time during the term of the policy, the sum of loan outstanding and unpaid interest on loan outstanding exceeds 95% of the surrender value at that time; the policy will be terminated by recovering the loan outstanding amount and unpaid interest amount from the surrender value after giving intimation and reasonable opportunity to the policyholder to continue the policy. The balance of Surrender value, if any, will be paid to the policyholder.

Before payment of any benefit (death, survival, maturity or surrender) to the policyholder for a policy against which loan is availed of, the loan outstanding and the interest on loan outstanding will be recovered first and the balance if any will be paid to the Claimant.

The rider Premium Payment Term cannot be more than the Premium Payment Term of the Base Policy if opted at the inception of the Base Policy or will be equal to the outstanding Premium Payment Term of the Base Policy, if taken subsequently. Rider premium should be paid on the due date or within the Grace Period. The mode and frequency of rider premium payment shall be same as the mode and frequency of premium payment under the Base Policy.

The attached riders (if any) shall lapse immediately when the Base Policy is lapsed. If the Base Policy is surrendered or forfeited, then the attached rider shall terminate immediately.
